BECOME A FRIEND OF THE SUMMIT!

Participation in the U.S. Summit & Initiative for Global Citizen Diplomacy is in itself a special opportunity. Now, there is yet another way for your non-profit organization to leverage your Summit experience and to showcase your leadership role in the world of citizen diplomacy.

You are invited to become a “Friend of the Summit” and to receive special recognition for your investment. Becoming a Friend of the Summit allows 3-5 staff and/or volunteer leaders from your organization to attend the Summit, mingle with peers and make invaluable contacts with future partners and prospective funders. It also includes special recognition of your organization in Summit materials.

A **\$2500 investment** includes three conference registrations and recognition in the official Summit program as a *Friend of the Summit*.

A **\$5000 investment** includes four registrations, recognition in the official Summit program as a *Friend of the Summit* and sponsorship of a continental breakfast to include signage in the room and the opportunity to distribute information about your organization.

A **\$7500 investment** includes five registrations, recognition in the official Summit program as a *Friend of the Summit*, a complimentary ¼ page ad space in the program and sponsorship of a coffee break to include signage in the room and the opportunity to distribute information about your organization.

The support of Friends at all levels will be recognized on the USCCD Web site, printed materials, and in the Post-Summit report.

Being a “Friend” also provides an opportunity for your organization to nurture a future citizen diplomacy leader. Friends of the Summit may opt to use some of the registration benefits included in their investment to provide scholarships to two or more youth attendees to the summit. Two youth registrations will be given in exchange for one adult registration.

Become a Friend of the Summit today by filling out the back of this form and returning it with your payment to the USCCD!
